Sustainability

Wool is a 100% natural, renewable and biodegradable fibre, which when combined with our commitments to sourcing, recycling and green energy create a product of the highest ethical quality.

All of our wool growers respect the 5 animal freedoms & are mulesing free.

1. Freedom from hunger and thirst
2. Freedom from discomfort
3. Freedom from pain & disease
4. Freedom from fear & distress
5. Freedom to express normal behaviour

HEALTHY SHEEP = QUALITY WOOL
